Comments : This policy should be a no-brainer for anyone who drives a car or motorcycle.

Accidents don't have to be YOUR FAULT to cost you dearly: just ask the lady who pulled out right in front of me. No one ever says, "I had an on-purpose today." It's always unexpected. I had never had an accident in my life before this happened. I had already received almost \$8,000 from the accident plan and I just got another \$2,700 from the ICU benefit on my cancer plan. This insurance is the gift that keeps on giving!

I'm really glad this policy has a "refund benefit". I've seen plans like this offered at work, but always passed because I didn't want to risk losing money. I signed up for this hoping it would just be the savings account that I always meant to start. I'm pretty sure that I would not have signed up without the money-back feature.
